Re: Anchor QEA Model
Project Number: GENprw:253

Dear Doug:

I have received your letter of June 29, 2010, requesting Anchor QEA's consent for U.S. Environmental Protection Agency (EPA) to disclose to the Louis Berger Group, Limno Tech, and the U.S. Army Corps of Engineers, the model code that Anchor QEA submitted to EPA as "confidential business information" on June 8, 2010. This will confirm that Anchor QEA consents to the disclosure under the conditions contained in your letter. In all other respects, Anchor QEA reserves its rights under 40 CFR Part 2 with regard to disclosure of the confidential business information to any other entity or for any other purpose. Hard disks containing this information, as well as input and output files of the model calibration will be overnighted to Louis Berger Group, Limno Tech, and the U.S. Army Corps of Engineers for arrival on July 1, 2010.

Sincerely,

Jennifer Benaman
